

Well Done!

For taking part in the
**Outdoor and Adventurous Activities
Challenge
2020**

Well done, you were great!

Signed: *Helen Scotto di Marrazzo*
School Games Organiser

We hope you have enjoyed taking part in this event and congratulations on receiving a certificate!
How many of the School Games Values did you demonstrate today?

This School Games event was brought to you by the 5 Sports Partnerships in the county.

Usually, each Partnership runs their own Level 2 competitions for their schools. The winners of these go on to the Level 3 County Finals to compete against the winners from the other Partnerships to crown an overall champion.

As this has not been possible this term, we have worked together to bring virtual competitions to schools to take part in, on their school grounds. Each Partnership has awarded their winners with certificates, and in some cases medals.

Depending on the event, the Partnerships have then come together to share their top results to see who the winner is in the whole county.
